

# WELCOME TO CEDAR RAPIDS

**Cedar Rapids Kayak & Canoe has been in business for over 50 years. Started in the early 1960's by a German craftsman who designed and built all the kayaks. We have tried to uphold the tradition of excellence in which the kayak livery was founded on. Aside from the kayaks, we also offer canoes, rafts and tubes. We have one of the most scenic campgrounds on the river. Please join us for a trip on the scenic Delaware River. Visit our boating office on the lower level to make reservations or just to have any questions you have answered. Our expert staff will be happy to help you.**
